# Education Industry Solutions

Maintain your budget and protect your students, staff and reputation by taking the proper precautions with Active Screening's cost-effective solutions.

## Considering a Background Screening Solution?

Try Our Simple Solutions to Today's Complex Hiring Challenges

Education isn't just about the learning but the learning facility as well. It's critical to maintain a safe environment for students and staff. If your risk management budget is limited it can be a challenge to implement cost effective measures that secure your campus and the people on it. Active Screening can help you take the necessary precautions to meet your risk management goals in a cost-effective manner. We can help you establish a comprehensive background screening process for incoming students, teachers and other staff. The reputation of your school will hang on the credentials of your faculty, students and the safety of the school.

### Identity & Credit

Establish your applicant's identity, address history and personal responsibility.

### Driver's Records

Determine eligibility for driving a company or personal vehicle for business use.

### Criminal Records

Identify criminal convictions or lack thereof so that you can hire with confidence.

### References & Credentialing

Confirm the information provided on a resume and/or job application.

### Clinical Testing

Insulate your organization from workplace accidents, violence and rising health care costs.

### DOT Employers Clinical Services

Reduce the costs of your DOT clinical services through our online suite of services.

### Electronic I-9 Solutions

Verify your applicants right to work through integration with E-Verify.

### Global Solutions

For a global workforce or organizations who hire overseas individuals.

### Industry Solutions

For any industry that screens potential employees and workers.

### Applicant-Entry Solutions

Give your applicants a simple online paperless form and payment solution.

Active Screening understands your company has unique requirements. Contact us today to see how we can help you design a custom screening plan based on those needs.
