Are your applicants telling the truth? Be positive with Active Screening's complete staffing solutions.

Considering a Background Screening Solution?

Try Our Simple Solutions to Today's Complex Hiring Challenges

In today's marketplace a lack of jobs increases the chance that desperate applicants will enhance their resumes with fictitious qualifications. Staffing companies are liable for the accuracy of this information. It is their responsibility to conduct background checks properly, with the specific written authorization of the applicant following a disclosure regarding their rights. Active Screening's staffing solutions can provide a fully outsourced solution from collecting the applicant's authorization and payment, if necessary, to sending background reports to the staffing management team for review and approval or denial based on EEOC guidelines.
