# Transportation Industry Screening Solutions

With Active Screening's transportation screening solutions driving records integrate with your job applicant's entire background screening report, bringing peace of mind to you.

## Considering a Background Screening Solution?

Try Our Simple Solutions to Today's Complex Hiring Challenges

Active Screening offers you DMV and Motor Vehicle Driving (MVR) Records that meet Department of Transportation (DOT) compliance standards. With Active Screening's transportation screening solutions driving records integrate with your job applicant's entire background screening report, which can include criminal history, employment verification, credit history, and much more. Re-Screen your drivers with ease with our re-screening management feature, which clocks the date from the last background check and automatically pulls the applicant into a rescreening queue for you to see if the driver is still active. Our software makes it easy to rescreen your drivers for compliance purposes. Feel better about active drivers, knowing we will help monitor and review each driver when necessary.
